## FROM THE PRESIDENT

Welcome to  
Curwood Country!

We are glad you could join all of us who make this wonderful homecoming, the Curwood Festival, possible. The festival began as a tribute to one of Owosso's own, James Oliver Curwood, who was an avid conservationist that wrote 33 adventure novels that were very popular in the 1920's, so popular that some were made into movies. Along with all of his wonderful stories, he left the community a replica of a Norman chateau which he constructed on the banks of the Shiawassee River to look much like one he had seen in France on one of his adventures. He used the castle as his writing studio. It's now a museum which holds much of Owosso's history.

The many festival volunteers invite you to experience a weekend full of food, music, entertainment, and many family events. Stroll along Heritage Park, visit the shops in our downtown area, or simply sit beneath the trees on the riverbank taking in all the sights and sounds. The Board of Directors, the Committee Volunteers and the City Administration hope that you feel a warm welcome to the City of Owosso and enjoy our four day festival... we are honored to put it together for you!

Debra Adams-Mills
